GOOD MORNING,
It's so good to see you today!

I don't know if any of us have the capability or the comprehension to ever fully grasp the love of God. It's too big. But I know that the only way we'll ever grow and become what He has called us to be is when we expose ourselves to the LIGHT. That's where we bloom.

And that's where we find ourselves immersed in the fragrance that tells the world who we belong to, what He has done for us, and that we are covered in ridiculous amounts of grace by the light of His truth.

"But if we walk in the light, as He is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin."
