GOOD MORNING,

It's so good to see you today!

“The heavens declare the glory of God; and the firmament showeth His handiwork.” Psalm 19:1

When you look up at the night sky, you see all of the twinkling stars and the bright shining moon looking back! When King David was a shepherd boy he would look up at the same stars. The very same moon we see would light up the pasture as he watched over the sheep. David thought about God every time he saw the beautiful stars and moon. Only God could make something that big and full of wonder. So, each time you gaze at the night sky, think of God and praise Him.
