GOOD MORNING,
It's so good to see you today!

“Now faith is the substance of things hoped for, the evidence of things not seen.” Heb. 11:1
Two words can describe our faith: confidence and certainty. These two qualities need a secure beginning and ending point. The beginning point of faith is believing in God's character--He is who He says. The end point is believing in God's promises—He will do what He says. When we believe that God will fulfill His promises even though we don't see those promises materializing yet, we demonstrate true faith.
