GOOD MORNING,
It's so good to see you today!

Every moment we are alive is full of reasons to sing out in joyful gratitude. Every breath we are given is a reminder that the glory of life is at hand. In the people we love, in the beauty of nature, in the golden sun that rises each morning- miracles are everywhere.

"The Lord God formed man of the dust of the ground, and breathed into the nostrils the breath of life; and man became a living soul." Gen. 2:7
