Dec 2023

Dear Brothers and Sisters

It was great to be home for thanksgiving and Christmas. Dec. started off with Toys for Tots, we have been doing this event for over 10 years. It is a two day Christmas concert with over 25 different artists., to get in you bring a gift for a child. Then they are distributed to children in our local area. It is put on by the Marine Corp. Jeremiah has done the sound for several years.

I love to be home with our children, grandchildren and g-grandson. We enjoy singing together, baking together and just all around fun and fellowship along with lots of eating. As you can tell I am not a picture taker. On the left top is us singing at a local church, Hadassah and Samuel making cookies and on the right is our tree and 43 stockings. We have been so blessed.

Our last event was singing with the Southern Plainsmen QT in Hornbeck, LA. We have know Marcelle Slaughter for over 20 years and sung with them at several events during that time. Always love the fellowship with them. Also spent time with Bryan ,Ruth Ann, Catelynne, Noah, and Bryan. We had such a good time.

A review of 2023, we traveled 40,865 miles in 20 states, worked on 3 church building projects and did 123 concerts. We are very grateful for all the churches that have supported us with monthly and love offerings. And for all those who have kept us in their prayers.. **THANK YOU**

Dear Brothers and Sisters

Had a wonderful time in Texas, we always look forward to our time there. So many people there have impacted our lives.

We went to Texarkana to see Jonathan and Avenue at one of their "Make the Change" events, when we got there we had an awesome surprise, Sarah and Asher were with them. What a blessing, they did a great job.

Had the great privilege to be at the Missionary Baptist Association of Texas for their state meeting. There are so many churches in Texas that support us and we are so very thankful for them all. Jeremiah did the sound for the Ladies Auxiliary meeting and the associational meeting. It was a beautiful meeting place and a great time of fellowship with so many pastors and missionaries that we have grown to love

Another highlight was a surprise birthday party for my 70th b-day at our niece Angela's home. My brother and sister were there along with 5 of our children, 23 grandchildren and our g-grandson. We had a great time, there was a jam session, square dancing and lots of food and fellowship. We missed Bryan, Ruth Ann and their kiddos, but it was a great time.

Thank you for reading this report, supporting us and praying for us God bless!
