January 2024

Can you believe another year has passed? This past year for Maggie and me has been a whirlwind of sorts. We encountered two Hurricanes. One was a CAT 4 and one the other was a CAT 5. Very scary and unnerving. Never want to go through that again. (But living in the South Pacific, one never knows.) That, along with health issues was a very different year for us. Hopefully and prayerfully our health issues are under control. We do covet your prayers about this as we continue to serve the Lord in Vanuatu.

I have been able to continue to visit some churches and share the work we are doing in Vanuatu. The churches have been very encouraging and receptive. Thank you to Surrounded Hill MBC of Newport, AR and Maxville MBC, of Cave City, AR for the opportunity to preach and share the work. Also, we visited Mount Pleasant MBC, Heritage BC, Vine Ave MBC and White Water MBC.

I have almost completed all my Dr. appointments. So far, the tests I've had have been good news. PTL! I have one result left to receive. Prayerfully it will be good news too. I am ready to get back to work for the Lord in our field of labor. Maggie is having some health issues as well. We do covet your prayers for her please! Her medical insurance coverage starts on Feb 1st. Lord willing the Dr.'s can help her too.

Well, finally I have made arrangements to return to the field. The scheduled date is March 4th. Your prayers are coveted as I prepare to return to Vanuatu. When I return, I plan to visit two different villages. There has been some expressed interest in me coming to have Bible studies and potential church plants. Also, I plan to visit the island of Santo for a survey to see if there is a potential work to get started.

A big THANK YOU to all the churches and individuals that support us in our ministry. We could not do it without you. God has taken care of our every need. And Thank you White Water MBC for the Sunday School material!

Please pray for me on my trip back to Vanuatu, that God will give me wisdom, knowledge, guidance, understanding and open the doors for me to walk through. Maggie will be staying in the states this time as we have another grandchild on the way, and it will give me a chance to do some surveying of other areas of service in Vanuatu.

We only have one picture this time. Pictured is both of us with Pastor Philip Lewallen, Maxville MBC, Cave City, AR.

***Thank You for your continued prayers and support of this work.
Without you we could not do what we do!***
