## Missionaries to Haiti

Greetings from the Isma Family,

I pray that all our brothers and sisters in Christ are doing fine. I salute you in the name of our Savior Jesus Christ. As always I want to say thank you for your prayers and your faithful support. Thank you for praying for my family, our ministry in Haiti, and the people of Haiti. My family is doing fine by the grace of God.

#### Haiti's conditions

For the past 2 years, Haiti's condition has remained the same. For the past year over 4,000 people were killed by gangs, over 3000 kidnapped, and over 200000 people were forced to leave their homes by the gangs. The gangs control more territory every day. As of right now, they occupy 80 percent of the capital of Haiti. They control 45 police stations in Port-Au-Prince. Please pray for Haiti as we continue to reach the people with the gospel of Jesus Christ.

#### Regarding Our Ministry

I personally thank God for what He is doing in our church in Haiti. The Church is growing. Right now we do have some problems, but it is a good problem to have. The church is really too small, and also we need more benches to accommodate the church members. He is some pictures below so you can have some idea regarding the congregation and the church building.

Thank you for your prayers and your financial assistance to help us build a bigger church for the Haitian people in Au Cayes. So far, we have raised \$ 5,500 and we have spent \$7,000 already in the building. We will need another \$8,000 to finish the building. Please prayerfully consider giving to this worthy cause. I know and you know our reward is from our heavenly Father not from the Haitian people.
